CHARM COLLECTIONS & STORY SETS

Our Personalized Charm Collection was created to let you keep your personal memories of your loved one close. Handcrafted in Venice using centuries-old techniques, our Murano Glass beads are works of art, with every piece as unique as your loved one. And our sterling silver beads are handcrafted by a team of skilled artisans, cast in precious metal of the highest-quality, and then polished or finished to a dazzling end result. Some also include dangling charms that have the option to hold a small amount of cremated remains.

The beads can be placed on any of our sterling silver or leather necklaces or bracelets, and are interchangeable with other popular bead jewelry sets. Your collection will work perfectly with both formal and casual attire and will be a constant, deeply personal reminder of your loved one. You may choose to purchase an identical bead or matching set for special family members & friends so that you may all share your precious memories together.

NATURAL STONE

Natural stone urns offer the elegance of natural beauty combined with the visual interests of color and texture variety. No two pieces are alike, and natural variations of color and design will occur. These are not flaws, but are indicative of the way that naturally-occurring stone develops in nature. Our alabaster, jade & marble urns are a stunning representation of your loved one, and offer a peaceful addition to your home décor or niche.

alabaster urns

Alabaster is a natural stone known for its special color, texture, streaks and translucent properties. Resembling marble, but softer in texture, alabaster can easily be worked into various shapes. Once considered to be a semi-precious stone, fine grained alabaster has been used for centuries for statuary, carvings and other ornaments. Made in Spain.
